

WHAT PEOPLE ARE SAYING ABOUT ST. JOSEPH CATHOLIC ACADEMY

"I applaud your efforts and your willingness to take a leadership role in preserving, sustaining, and advancing the future of our Catholic School ministry in your community. The Archdiocese supports your efforts and is wholly available to assist you in your mission."

-- Charles F. Allison IV, Former Director of Catholic Schools, Archdiocese of Milwaukee

"The emphasis we place on providing Catholic education – time, talent, and treasure – is absolutely related to our faith experience. We reveal our faith to all when we reach higher -- with confidence and pride -- to be the best educational choice for all parents. For our young people, building faith without community is impossible. A sustainable, innovative K-12 Catholic education system provides the support for children and young people to fully realize who Christ meant for them to be – spiritually, academically and socially."

-- John Jaraczewski '85, Executive Director, United Stationers Charitable Foundation

"I remember my relatively brief years at St. Joe's with great fondness. They were literally the beginning of my priesthood. I cherish the years I was there and am grateful that the current generation is rising to the task of keeping the school alive and creating a truly Catholic school system in Kenosha."

-- Father Steven Avella, Marquette University, Our Lady Queen of Peace

"As a Catholic education recipient, I cannot express emphatically enough how passionately I believe that a Catholic education is fundamental in developing the 'whole' person. Catholic education supports the development of students into spiritual young adults with indelible values like faith, compassion and integrity. Education needs to encompass more than just "the 3 Rs," and Catholic education delivers what's missing in public education from smaller class sizes to Christ-centered lessons and discipline."

-- William Althaus '78, Director/Owner, Piasecki/Althaus Funeral Home

The St. Joseph Catholic Academy Advantage

ABOUT US

At SJCA, we provide our students with an education that integrates the Catholic faith with a strong academic foundation to be successful and active in the community and church for a lifetime.

The Academy offers a robust, cutting-edge curriculum that includes many offerings new to Catholic schools in the Kenosha area. The Academy has an extensive foreign language component, including Spanish, French, Italian, and Mandarin Chinese, that is available for even the youngest students, beginning in kindergarten. The Academy began a One-to-One laptop program this year for the middle school students. This laptop program will be introduced in 2011 to the 9-12th graders, thus creating the only 6-12 One-to-One Laptop Program in the area.
